

We are waiving change fees for travel impacted by COVID-19. This applies to all tickets purchased between March 1 and June 30, 2020.

If your booking is eligible for a waiver, you can opt to move your travel dates and/or select a new destination up to 27/05/2021. Your unused ticket will be applied to your new flight, and in some instances, a fare difference will apply. If the new fare is higher, you will be required to pay the difference.
