

Should you have purchased a ticket with Scandinavian Airlines, you can postpone your departure date without incurring any change fees. You can book your new ticket with Scandinavian Airlines up to 12 months after the issuance of the original ticket.

You can rebook on the same route or any other offered by Scandinavian Airlines, but domestic tickets must remain domestic and cannot be exchanged to international tickets. In either case, you may be required to pay the difference in price. You can also change the passenger name but then fare differences will need to be collected.
