

Should you have purchased a ticket with Corsair that has subsequently been cancelled, you can postpone your departure date without incurring any change fees. You can book your new ticket with Corsair up to 31 December 2021.

You can rebook your flight, both for the original route or any of the routes offered by Corsair. You will be required to pay any difference in fare at the time of booking. You will only be exempt from paying fare differences if your new flight departs on or before 30 September 2020 and if you book the same route.

Whether you book a new flight for the same route or a different one, you will not incur any additional change fees.

In the event that the new flight is cheaper than your original flight, you will be issued a voucher for the difference, to be used on your next booking.
